1) Own Company EMail Address

As part of the SourceWeb® Group, you have a much better negotiating position with customers, suppliers and other business partners. Thanks to the reputation of the SourceWeb® brand, you will be given preferential treatment when looking for a new business location, when granting business loans, as well as by many suppliers or selling our services and products (Funnels). The appropriate draft texts for email marketing with a tracking version are optimally prepared for each project funnel and can be sent very easily in just a few seconds. See our detailed explanatory video.

For problems of any kind we are happy to assist you.

Your e-mail address would be as follows:
first-name.last-name@sourceweb.group

first-name.last-name@sourceweb.ag

Access to the In-House Webmail:
<https://webmail.sourceweb.group>

<https://www.gmail.com>

Your e-mail signature could look like this, for example:

Yours sincerely,

Cesar Viqueira

2) Setting Up your Social Media Accounts

The marketing world is changing rapidly. People's internet usage habits are changing and their lives are increasingly taking place on social networks.

Social media are not only suitable for increasing sales, but also for fast communication with your customers or interested parties.

Users can be offered further information about our services & products (Funnels), as well as help with problems. This leads to strong customer loyalty and an improved image.

To this end, we have prepared our own social media draft texts for each project, which you can easily market via your social media channels.

We help you to create a professional social media presence and link this to your website accordingly to provide a complete overview of you as a freelancer at SourceWeb.

We recommend the following social media channels:

Instagram: Private use

Facebook: Business use

LinkedIn: Business use

**ALL DRAFT TEXTS FOR THE FUNNELS APPLICATION

You are a Freelancer for SourceWeb

SourceWeb® is an established and steadily growing brand. The brand has a high recognition value and is very memorable.

By using the SourceWeb® brand, you enter directly into a high league.

Very important, only the funnels may be marketed for distribution without further written permission. Everything else on request.

6) Professional business cards, to emphasize your seriousness and professionalism underline

The first impression cannot be repeated. In the business world, this should be as professional and lasting as possible.

Our business cards are a simple but important tool for exchanging contact details.

This allows you to stand out from the competition and make a lasting impression on our company as a contractor.

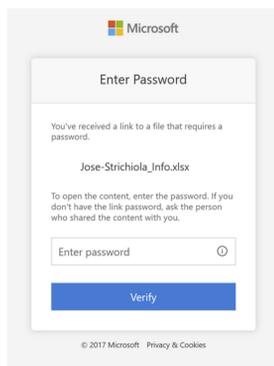

5) Modern CV for more Future Prospects

We write and design an optimal CV for you. As a self-employed person in our company, you will have better future prospects or promotion opportunities.

If required, we will issue a reference etc. for you.

Your CV could look like this, for example:

- Spanish Version: <https://cv-es-pdf.strichiola.me>
- English Version: <http://cv-en.migliorino.info>
- Spanish Version: <http://cv-es.migliorino.info>
- etc.

8. Advantages of a Newsletter for your Company

- 1.No Wastage
- 2.Regular Contact strengthens Loyalty and Trust.
- 3.Cost-Effective
- 4.Low Effort
- 5.Possibility of Automation
- 6.etc.

You have the option of exporting or downloading your recipient lists from SourceWeb as a CSV file. We will be happy to advise you.

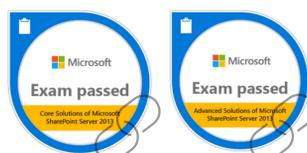

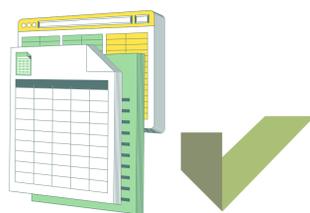

7) Shared Administration Area accessible from anywhere and at any time

The biggest advantage of SharePoint is that it enables effective company-wide collaboration in real time. Multiple users can work on the same document simultaneously from anywhere in the world instead of sharing different versions of documents.

All changes made to the document are synchronized automatically and in real time.

As a certified SharePoint expert, we can individually exchange all important, required information with each other via an Excel spreadsheet.

Our IT experts are always on hand to provide you with advice and assistance.

etc.
